

# Christ Church Grammar School

## Year 12 Subject selection 2025

Students going into Year 12 must choose six subjects comprising:

- one English subject (English or Literature or EALD) from List A
- at least one subject from List B
- three or four more subjects from List A and/or List B

Some subjects may be run at MLC and some may have MLC students enrolled. Parents and students will be advised later in the year if a selected subject is to run at MLC.

### ATAR Pathway

- Students must select six timetabled subjects. A Private Study may be one of these six subjects.
- Students wishing to receive an ATAR must complete at least four ATAR courses (this includes sitting and making a genuine attempt in the final ATAR examination).
- Mathematics Applications and Mathematics Methods may both be selected and can both be used in the calculation of an ATAR score.
- Mathematics Applications, Mathematics Methods and Mathematics Specialist may not be selected together.
- Students wishing to pick up an ATAR subject that was not studied in Year 11 must be in contact with the Studies Office as soon as possible. Priority is given in the timetabling to students continuing with courses from Year 11 – so not all requests may be possible. Students will also need to independently catch up on Year 11 content.
- At CCGS, the following subjects are **not** permitted to be selected in Year 12, if they have not been completed at an ATAR level in Year 11;

Chinese Second Language ATAR  
Japanese Second Language ATAR  
Media Production and Analysis ATAR  
Materials Design and Technology ATAR

French Second Language ATAR  
Design ATAR  
Visual Arts ATAR

### Non-ATAR Pathway

- Students must select six timetabled subjects, including one English subject and one Mathematics subject.
- Students who completed Careers and Enterprise General in Year 11 must select a General subject to replace it in Year 12.
- Students can elect, in consultation with the Careers Counsellor, to study a Certificate course off-campus in Year 12 if they are studying no more than one ATAR subject. An off-campus Certificate course **does not** count as one of the six timetabled subjects a student must be enrolled in at CCGS.

**LIST A (arts/languages/social sciences)**

Ancient History ATAR  
Business Management and Enterprise ATAR  
\*Business Management and Enterprise General  
† Chinese: Background Language ATAR  
† Chinese: First Language ATAR  
† Chinese: Second Language ATAR  
Drama ATAR  
\* Drama General  
Economics ATAR  
† English as an Additional Language ATAR  
English ATAR  
\* English General  
† French: Second Language ATAR  
Geography ATAR  
† Japanese: Second Language ATAR  
Literature ATAR  
Media Production & Analysis ATAR  
Modern History ATAR  
Music ATAR  
\* Music General  
Philosophy & Ethics ATAR  
Politics & Law ATAR  
Visual Arts ATAR  
\* Visual Arts General

**LIST B (mathematics/science/technology)**

Accounting and Finance ATAR  
Applied Information Technology ATAR  
Biology ATAR  
Chemistry ATAR  
Computer Science ATAR  
Design ATAR  
\* Design General  
Engineering Studies ATAR  
Human Biology ATAR  
Marine & Maritime Studies ATAR  
\* Marine & Maritime Studies General  
Materials Design & Technology ATAR (Wood)  
\* Materials Design & Technology General (Wood)  
\* Materials Design & Technology General (Metal)  
Mathematics Applications ATAR  
Mathematics Methods ATAR  
Mathematics Specialist ATAR  
\* Mathematics Essential General  
Physical Education Studies ATAR  
\* Physical Education Studies General  
Physics ATAR  
Psychology ATAR

**Certificate Courses**

\* Certificate IV in Fitness (Students must have completed Certificate III Fitness in Year 11)

\* Contributes towards WACE but does not contribute to an ATAR calculation

† The study of this course is subject to SCSA eligibility requirements
